

Scholarships for 161 Gifted Children and Youth by the Municipality and the Mayor

Thursday, 26 November 2026

The Mayor of the Municipality of Dimitrovgrad, Mr Ivo Dimov, presented scholarships to 161 children and young people with achievements in various fields—science, sports, and the arts. Three of them, Valentin Nikolaev Stanchev, Konstantin Ivanov Stoyanov, and Martin Lyubomirov Dyalkov, were awarded for their exceptional achievements in science and technology, specifically in the field of mathematics. The value of the "Dimitrovgrad Talent" scholarship this year is 650 euro.

158 students received from 52 to 227.5 euro—for their achievements across a wide variety of areas, including sports, science, and the arts, after a celection criteria. The total value of the scholarships is 22,523 euro. For the current session, applications for financial support were received on behalf of 209 children and students, aged 6 to 19, who are enrolled in educational institutions in Dimitrovgrad and Haskovo. All applications were reviewed by the Expert Advisory Commission, consisted of 11 members.

The distribution of the selected students across educational institutions is: 44 students from the Ivan Vazov High School of Mathematics and Natural Sciences, 44 from the Aleko Konstantinov Primary School, 32 from the Pencho Slaveykov Primary School, 16 from the Karavelov Secondary School, 9 from the Dr. Ivan Bogorov Foreign Language School, and 1 from the Prof. Dr. Asen Zlatarov Vocational High School. There are also recipients who reside in Dimitrovgrad but attend schools in Haskovo.

Through this initiative, which is in implementation of Ordinance No 21 of the City Council, the Municipality of Dimitrovgrad continues its consistent policy of supporting young talent, rewarding their successes. These awards serve as recognition for the hard work of the children and young people whose achievements bring honor to Dimitrovgrad municipality and the local community.
