FREE BUSSES FOR ALL SOULS DAY

Wednesday, 27 May 2026

The municipality of Dimitrovgrad provides free transport for All Souls Day (Saturday, May 30). All Souls Day is one of the three greatest ones according to the Orthodox calendar. It is the day on which we pay respect to our dead relatives, praying for their souls and lighting a candle. Traditionally, the municipality of Dimitrovgrad provides free buses for All Souls Day. They will conduct the familiar schedule, serving the lines throughout the day, for the convenience of citizens who wish to visit the New and the Old Cemetery Parks. ‘The cemetery parks have got a new video surveillance system in order to prevent vandalism, new facilities and water taps which make them among the best maintained in the country’, reported the manager of ‘Trauren Obreden Dom’ Mrs Slaveya Mihailova.

This is the second All Souls' Day of the year, according to the Orthodox calendar, also called ‘Spasova Zadushnitsa’. For the souls of our relatives, wheat, bread, wine, fruits (cherries) and other foods are traditionally prepared and distributed. Wheat symbolizes the resurrection, and bread - Jesus Christ. Cherries are the symbolic fruit of the upcoming summer.
