

MAYOR IVO DIMOV WELCOMES 51 COUPLES AT THE TRADITIONAL GOLDEN WEDDING CELEBRATION

Thursday, 19 November 2026

Filled with deep emotion and a festive spirit, 51 couples marked their remarkable wedding anniversaries. For the 5th consecutive year, the Municipality of Dimitrovgrad organized a Golden Wedding celebration in honor of the Day of the Christian Family, under the patronage of the Mayor, Mr Ivo Dimov. The event brought together couples celebrating 50, 60, and even 70 years of life together. Arriving at the restaurant, they were welcomed according to an old Bulgarian tradition with a bread and honey, and the Mayor personally greeted each couple. In his address to the families, he shared that this event touches him deeply every year, because behind these impressive anniversaries lie decades filled with love, patience, joys, and challenges.

The Mayor shared an interesting detail from the history of Dimitrovgrad - 50 years ago, on November 21, 1976, 11 couples entered into marriage in the city. Today, eight of those couples were present at the celebration to mark half a century since the beginning of their life together. The ceremony was hosted by Ms Radostina Kuzeva, Head of the Civil Registration and Administrative Services Department. Each couple received two special gifts - an authentic copy of their civil marriage certificate and a bottle of red wine, prepared exclusively for the occasion. The festive program continued, filled with vibes and surprises. Dancers from Galaksiko and Gaytani enlivened the atmosphere with their performances of national folklore dances. The celebration culminated in the cutting of a large golden wedding cake, which the couples sliced together with Mr Dimov. The festivities continued with plenty of emotion and joy, and warm memories for this special day.
