

PRESENTS FOR THE FIRST BABY IN THE MUNICIPALITY BY THE MAYOR MR DIMOV

Monday, 10 January 2022

The first baby, born in the municipality of Dimitrovgrad in 2022, according to the already established tradition, received gifts by the mayor Mr Ivo Dimov. Due to the anti-epidemic measures, the gifts were sent to little Ivanka, who was born on January 2 under the care of the team of Dr. Nina Chatalova. Traditionally, the newborn and his mother receive a set of silver anniversary coins, a huge plush toy and flowers. The happy parents, Vasilka and Stoycho, have also two older children.

The medical team received a huge cake as a congratulation for the cares they give to the youngest citizens of the municipality and their mothers.
