

SCHOLARSHIPS FOR SUCCESS IN EDUCATION TO TALENTED CHILDREN AND YOUNG PEOPLE, GIVEN BY THE MAYOR MR DIMOV

Tuesday, 29 November 2022

The Mayor of Dimitrovgrad Municipality, Mr Ivo Dimov, presented at an official ceremony the scholarships to talented children and youths for their successes in the fields of science, technology, art, culture and sports. The ceremony took place in the "Groseto" conference hall, where in front of the teachers, parents, and students the scholarships to the winners were given by together with the chairman of the expert-consultative commission, Mr Todor Todorov. For outstanding achievements in the field of mathematics and astronomy was awarded Stella Biserova Bineva. The mayor congratulated the children on their successes and said he was proud of them. "Behind your every success is a lot of hard work and diligence. Our role is to encourage talent and develop it", he added. By a proposal of the chairman of the same commission, for the next year, the amount in the municipal budget will

be increased to BGN 40,000. The awarding ceremony takes place on two consecutive days and will continue tomorrow evening, when Mr Dimov and Mr Todorov will present the scholarships to the other children encouraged for their achievements.

Every year, Dimitrovgrad Municipality allocates BGN 30,000 from its budget for awarding scholarships and financial stimulation of children and young people with proven achievements. The funds are in the frame of Program under Municipal Ordinance No. 21. This year, the number of the young people, who have been awarded, was 130.
