THE ADDITIONAL AGREEMENT ON THE PROJECT FOR REPLACEMENT OF HEATING APPLIANCES IS SIGNED TODAY

Friday, 4 June 2021

The Mayor of Dimitrovgrad Municipality, Mr. Ivo Dimov signed today the Additional Agreement to the Grant Agreement under the project "Improvement of air quality in Dimitrovgrad Municipality by replacing solid fuel heating devices with alternative forms of heating".

Based on the results of measures and activities from the first stage of the project, after the completion of their implementation, the Beneficiary submits to the Managing Authority of the Operational Program "Environment 2014-2020" a package of reporting documents. On the basis of the activities of this first stage a substantiated Proposal for determining parameters of the second stage is made.

The term for implementation of the project is 59 months.
