

SPACE JOURNEY IN THE CITY PLANETARIUM FOR THE HOLIDAYS '2026

Thursday, 20 August 2026

On August 29 and 30, 2026 (Saturday and Sunday), the Giordano Bruno Center for Astronomy and Space Research in Dimitrovgrad will offer lovers of astronomy and mysteries two interesting events dedicated to the Universe and Space. The initiative is part of the festive program on the occasion of the Dimitrovgrad Holiday '2026.

Program:

August 29 and 30, 2026 (Saturday and Sunday)

3:00 p.m. – “The Hot and Energetic Universe” – film screening;

5:00 p.m. – “Space Walk” – lecture;

Place: National Astronomical Observatory “Giordano Bruno” (The City Planetarium).

The events are an opportunity to celebrate the holiday of Dimitrovgrad by looking at the stars – with curiosity, knowledge and inspiration for young and old people.
