

THE MAYOR OF THE MUNICIPALITY MR IVO DIMOV ATTENDED AN OPEN SWIMMING LESSON AT THE LOCAL NURSERY SCHOOL

Wednesday, 30 November 2022

An open swimming lesson was held today by the children from the local kindergarten in the presence of the mayor of the municipality Dimitrovgrad – Mr Ivo Dimov. The event was also attended by experts, the management of the kindergarten, teachers and parents. Kindergarten "Spring" is the only one, which has a swimming pool.

"For the last two years, the municipality has invested over BGN 100,000. in the repair of the kindergarten pool. We overhauled the pool's ventilation system, repaired the roof structure, the machine room, the gym, the pool and the high roof body. We invested over BGN

65,000 in the interior for furniture and equipment with funds from the municipal budget and the results are visible. Our policy to improve the equipment for educational and sport purposes, works in order to create conditions for healthier and physically active children. The major result of our work is the improvement of the environment for children", the mayor Dimov said, congratulating the management for the initiative.

"Swimming lessons are held every day, within 30 minutes, by the coach Mr Ivan Iliev, and the children's interest and desire for swimming is great," Tonka Alexandrova shared – the head of the kindergarten. She thanked for the support of the municipality.

The swimming pool in was built in 1984. Swimming training takes place every day at 15.30 h, within 30 minutes. A total of 53 children are practicing swimming.
