

A new donation for the COVID Department at St. Ekaterina Hospital was made today by the GERB councilors

Thursday, 17 December 2020

A new donation for the COVID sector at MH "St. Ekaterina" was made today by the councilors from political party 'GERB'. Reusable nitrile safety work boots, in fully compliance with the requirements for easy disinfection of the protective clothing, were given to the medics. This is the second donative action by GERB councilors of the local Municipal Council. The delivery was received by the Chief Accountant of the hospital - Mrs. Boryana Peneva and Mrs. Lilyana Hristova, an employee at Material and Technical Supply Department of the same hospital.
