The project partners from Bulgaria participated in a study visit to Norway

Monday, 11 March 2024

Representatives of the municipalities of Dimitrovgrad, Lyubimets and Zlatograd, Club Economika 2000 and Factory for Environmental Initiatives participated in a study visit to the city of Oslo, Norway, in the period September 25-30, 2023. The training took place within the project BGENVIRONMENT-4.004-0001-C01 "Increasing the ability of the municipalities of Dimitrovgrad, Lyubimets and Zlatograd to reduce greenhouse gas emissions and adaption to the changing climate", which is implemented with the financial support of the Programme "Environmental Protection and Climate Change" of the FM of the EEA 2014-2021. Participants in the study visit were introduced to good practices for implementing measures for sustainable energy and climate and adaptation to climate change.
