

HUGE INTEREST BY THE MEETING OF THE LOCAL BUSINESS WITH THE DIRECTOR OF WORKING CONDITIONS FUND

Tuesday, 9 April 2024

Engineer Violeta Dobрева, Director of the Working Conditions Fund at the Ministry of Labor and Social Policy met today in Dimitrovgrad with representatives of business, institutions, enterprises and principals of schools and kindergartens. The meeting, which was initiated by the mayor of the municipality of Dimitrovgrad Mr Ivo Dimov, was held with a huge interest. It was also attended by Diana Naydenova - Active policies on the labor market adviser to the president of the unions. The purpose of the meeting were the possibilities for financing projects on improving working conditions in companies to be widely explained. Eng. Dobрева introduced the participants to the possibilities of financing the activities under the program, adopted by the National Council on Working Conditions and approved by the Minister of Labor and Social Policy. Eng. Dobрева thanked the mayor for the initiative to hold the meeting and emphasized that the Fund is a very flexible structure, including the application method.

The Working Conditions Fund finances up to 30% of the approved costs for the implementation of a project, but not more than BGN 100,000. The activities financed by the fund are related to the reconstruction and/or modernization of the workplaces; modernization and/or safety of the work equipment; construction, reconstruction and/or modernization of systems and; improvement of sanitary and domestic conditions; etc.

More about the documents and application methods on the Fund's official page:
