THE NEW LIFE ALLEY '2026 ACCEPTANCE

Wednesday, 4 March 2026

The Municipality of Dimitrovgrad organizes the initiative 'The New Life Alley' for the 16th year in the row. It is an ecological one, which means planting of trees for the children, who was born in the period 1.03.2025 - 28.02.2026. Every year, it turns into a holiday, dedicated to the connection between people and nature. It symbolizes the life in all of its forms.

You have the chance to receive your tree for planting on Palm Sunday, April 5th on the spot - in Maritsa Park and to decide where it to be planted - in your private yard or in the city green areas, accorded by the urban organization of the territory. If not, you can receive it from NEO Titan company in Maritsa Park from April 6th (Monday) to April 9th (Thursday) in working hours from 8 AM to 4 PM.

The Municipality of Dimitrovgrad invites you to support the project for our green and clean city environment.

You can fill the application form not later than March 30th, 2026, at the Front Office for Administrative Service, located at the ground floor of the Municipal Administration building or to do it digitally at: hsd@dimitrovgrad.bg. The application form can be downloaded by the official website of Dimitrovgrad Municipality.
