

MEDICAL EXAMINATIONS WITH SPECIALISTS FROM MAICHIN DOM SOFIA

Friday, 24 March 2023

On April 8th, 2023 (Saturday) in the gynecology office at the "Shans" Medical Center, screening examinations will be held with specialists from the country's largest AG University Hospital. These will be the last examinations until the summer period. Examinations will be carried out by booking. Patients can use referrals.

The examinations will be performed by Dr. Nikolay Geshev. Dr. Geshev is a specialist in obstetrics and gynecology at the Pregnancy Pathology Clinic, "Maichin dom" with medical experience and interests in the fields of ultrasound diagnostics, pregnancy monitoring, screening in oncogynecology and treatment of cervical lesions.

Phone for registration and booking: 0897079757

The examinations are result of a cooperation agreement between the Municipality of Dimitrovgrad and the Specialized Hospital for Active Treatment in Obstetrics and Gynecology "Maichin Dom" Sofia for joint activity in the field of health care and general gynecology.
