

FUNNY BOARDS IN THE PARK INVITE CITIZENS TO KEEP CLEAN ENVIRONMENT

Tuesday, 9 April 2024

Dimitrovgrad Municipality has placed new funny signs near the playgrounds in Maritsa Park to encourage citizens and visitors to use the garbage bins and to preserve the park's areas clean. A fresh example is the lettering: "Hello! The trash can is not scary! Dare to use it!".

The message is: 'Protecting the environment is everyone's responsibility!'
